**02-CL1870SHR/CL1870SHR/ADC ENHANCED SONY 540TVL SUPER HI-RES  
£114.54**

The CL1870SHR / 1870SHR/ADC low voltage version Super High Resolution camera uses an enhanced 540TVL version of the Sony Super HAD CCD and Digital Processing. This technology gives a stunning colour picture and is ideal for installations that require the very best colour image available with excellent clarity. [\[Product Details...\]](#)
